

An Equity-Centered Continuous School Improvement Framework

This continuous school improvement framework was designed to support the Targeted Support and Improvement (TSI) and Additional Targeted Support and Improvement (ATSI) schools in Nebraska and can be applied to all schools seeking to ensure data quality.

DATA JARGON DECODER >>

The **We All Count** Project has tools and resources to democratize, demonstrate, and demystify data.

<< MOVE BEYOND LABELS

The **Midwest and Plains Equity Assistance Center** helps educators to establish and sustain coalitions.

Lay the foundations for equity

Form partnerships to expand mindsets and worldviews

An Equity-Focused Approach to TSI/ATSI School Improvement

Select evidence-based interventions with an equity focus

Become an informed data consumer

EVALUATE EDUCATIONAL >> PROGRAMS

The **NeMTSS Program Comparison Tool** allows educators to choose programs that meet student needs.

<< EXPAND DATA LITERACY

What Works Clearinghouse (WWC) practice guides offer evidence-based instructional recommendations.
